

PUBLIC ANNOUNCEMENT

This is a public announcement and reminder to all citizens of the Republic of Palau and specifically to bearers of Republic of Palau passports incapable of being machine-read that pursuant to 13 PNC Chapter 12 Section 1209, all passports incapable of being machine-read shall expire on December 31, 2006. All persons bearing Republic of Palau passports which cannot be machine-read shall apply for a machine-readable passport at the Palau Passport Office in Meyuns, Koror. Starting on January 01, 2007, only machine-readable Republic of Palau passports shall be valid, and all others shall be invalid for all purposes.

Contact the Palau Passport Office in Meyuns, Koror during regular government business hours for further clarification and further information at the following contacts:

Tel No	680-488-6330
